

Blow & Roll

Material
steel, inox

B&R - Blow and Roll is a 125cm part of the world's first kilometre of the rolled steel profile. It was prepared especially for the London Design Festival 2010 and will be available at Phillips de Pury exhibition

space at Saatchi Gallery and here on our shop. B&R is made for everyone to inflate at home using a bicycle pump. Everyone can try how FiDU works now.
