H: 77,5cm / 30,5"
W: 220cm / 86,6"
D: 110cm / 43,3"

The slim and elegant table construction created as a result of research on FiDU possibilities. It is not only innovative table construction but it is the next letter in the FiDU alphabet. The standard MOST con-

struction applies for the maximum table top's length of 2 m. For longer boards we are able to customize the FiDU legs accordingly to produce a more durable table construction.

Raw lacquer steel version products are designed to have an industrial look so they can have few scratches or rust stains on a surface underneath the lacquer.
